31st March 2020

Dear Parent/Guardian

As you are aware, we are very lucky in the school to be able to offer a service whereby your son/daughter is provided with free breakfast and lunch in school each day. The school continues to get funding for this service, and we would like to ensure that our families continue to get the benefit of the scheme. The Government and the Department of Education have confirmed that the School Meals scheme is an essential service and therefore the following arrangements are being put in place to continue it.

Because of the current situation and the need to maintain social distancing we have arranged with our supplier to put together a box of non-perishable food worth €20 to be delivered fortnightly by An Post to the home of each of our students. We feel it would be of great benefit to families because of the social distancing requirements when out shopping and also the inability of many people to continue to work. We are offering this to every single family.

This box will include items such as pasta, cereals and tinned goods. In order to do this, we need to share your name and address with the company we are working with – Fresh Today. This company will arrange the delivery to your home by An Post.

Your name and delivery address will be kept confidential by Fresh Today and only used for this purpose. Once normal arrangements resume, your name and address will be deleted by Fresh Today.

If you do not wish us to share your name and address details and/or you do not wish to receive the box of food please email admin@sbc.ie giving your son/daughters name and noting that you do not wish to receive the food or share your name and address.

As we want to arrange delivery over the Easter period the deadline for email is **Thursday 2nd April at 5:00**. If we do not hear from you, we will assume you are happy to receive this box of food and have your name and address passed on.

If you have further queries regarding this, please email admin@sbc.ie

We in St. Brogan's College would like to wish you all a Happy Easter and may you all stay safe and well.

Yours sincerely

Helen Cadogan
Principal
