Dear Parent/Guardian

Firstly, I hope you are all well and had an enjoyable Easter. We are as you will understand closed for the foreseeable future. These are unprecedented times for all of us and both students and teachers are having to adapt to a huge amount of change.

Teachers will continue to work with students right up until the end of the academic year which is the 29<sup>th</sup> May. They will continue to teach new content either through email and OneNote or online classes using Office 365. We ask that each student checks their email regularly and keeps up to date with the work and content being sent to them.

It has been decided that results for the Summer this year will be based on continuous assessment. Students in first, second and fifth year will be assessed on a combination of their engagement with the work provided and the projects, homework and assignments they are giving back to the teachers. Each individual teacher will outline what is expected for their particular subject.

There is no doubt that home schooling is a challenge for both students and parents and if you have any worries or concerns for your child or your child is feeling overwhelmed or anxious please send an email to [admin@sbc.ie](mailto:admin@sbc.ie) asking that we contact you and we will be in touch and do everything that we can to support you and your child.

We are continuing to add resources to our website that may be of assistance. The latest is a Coronavirus Anxiety Workbook which can be accessed through this link: <http://www.sbc.ie/wp-content/uploads/2020/04/Coronavirus-Anxiety-Workbook.pdf>.

We will continue to update you on any changes. If you have any queries email [admin@sbc.ie](mailto:admin@sbc.ie) and please take care and stay safe.

Yours faithfully

HELEN CADOGAN
