1st May 2020

Dear 3rd Year Parent/Guardian and Student

Our different subject departments have worked together to prepare a plan for the assessment of the junior certificate. The school will send a report with grades in each subject out to families by the end of June.

Where possible subject departments have taken into account achievement in assessments, CBAs and projects completed up until now. In the plan for assessment you will see any piece of assessment yet to be done in May highlighted in Yellow. You can see the dates and times of any exams to be done.

From Tuesday on all your teachers will be in touch by email with more detail on the structure of the assessment in their subjects. All the exams are open book exams in that students will have their books and notes with them.

From Tuesday on a phone call will be made to each family from a member of staff to check that all is clear for the students, that everyone can access the exams and send them back and answer any questions from parents and/or students. If there are any worries/concerns or difficulties, we will work with the families to resolve them well in advance of the assessments. If there are any problems on the day for any exam there is a phone number to call and you will get whatever help is needed.

We will keep you updated on any changes or preparation needed for the assessments. We hope this gives you clarity on what is ahead and you have the security of knowing it will all be completed by the 28th May.

In the meantime, have a lovely long weekend and we will be in touch to answer any questions next week. We can be contacted at any time on admin@sbc.ie and we will phone you back if necessary.
