

Mobile Phone Policy

Mobile phones and personal music devices are to be turned off and out of sight while in the school building. This includes break times. Students may step outside the building to use mobile phones before 9:00, at small break and lunch break. Failure to follow this directive will result in the device being confiscated and held in the office for collection by a parent/guardian. A student who refuses to surrender the device will be suspended from attending school until such time as he/she agrees to comply with school rules.

Parents who need to contact students on urgent matters are free to ring the school landline and speak with their son/daughter. Alternatively a message can be passed to the student. Similarly, students needing to contact parents are free to use the school phone.
