3<sup>rd</sup> April 2020

Dear Parent/Guardian

These are indeed strange times and like all schools as the weeks go by teachers and students have upskilled considerably in remote teaching and learning.

The majority of the students are engaging each day and working hard watching the teacher's videos, going to online classes, reading notes and completing assignments. There are however, some students who are not engaging with the online work. Some students we understand do not have good wifi or available devices. We understand this and if students can let your teachers know of any problems by email they will also understand. All we can ask of students is to do their best.

Third and sixth years have had the added worry about whether the examinations will go ahead or not but Leo Varadkar was very clear last night that the exams will go ahead which at least brings some clarity to the situation.

If any of your children have missed the work sent out by teachers please ask them to look at your emails and engage with the work that is there. They will have time to catch up over the Easter holidays.

It is impossible to tell if we are back or not after Easter but if we are not please note that teachers are not just revising. They are also giving new material and we hope that all students will engage as best they can. We will keep you updated on any developments.

The St. Brogan's community would like to wish you all a very safe and happy Easter. The sun is meant to shine at the weekend and we hope everyone will be able to enjoy it be it in their gardens, on their balconies or even just through an open door.

Please take care of yourselves. We have a special section on our website [www.sbc.ie](http://www.sbc.ie) called Covid 19 and in it there is advice on wellbeing, keeping active and so on so please take time to look at it. We can be contacted at any time on [admin@sbci.ie](mailto:admin@sbci.ie) and we will phone you back if necessary.

Happy Easter everyone.

Yours faithfully

HELEN CADOGAN  
PRINCIPAL
