MEd (Sc), PGDip EL
Leas-Phríomhoide: Treasa Ní Bhocháin, B.A., HDip in Ed

10th January 2022

Dear Parent/Guardian

This is just a note for your information.

Antigen tests can be expensive and difficult to source. The HSE will send you out free antigen tests if you have symptoms. You need to go to <https://www2.hse.ie/conditions/covid19/testing/get-tested/> and click on the following:

 I am aged 4 to 39 and have COVID-19 symptoms

This gives you all the information on using antigen tests and in the middle of the information you will see:

 **Book antigen tests**

Click on this and then you will then be asked if you have symptoms of Covid 19. If you say yes, you can fill in the details of every person in your household that is between 4 and 39 and the test kits (box of 5 per person) will be issued by return post. You can repeat the process again after five days if you need to.

We hope this information is of assistance to parents and thanks to the member of staff who sent on this information.

Kind regards

Helen Cadogan
Principal
